Panther Press Seeks Intrepid Reporters

The critically acclaimed Panther Press newspaper will be spreading the news again after a COVID related hiatus. The publication that brought you the Game Lovers' Corner, Inspiration Station, Man About Town, Teacher Spotlight, and comics to bring a smile to your face is seeking staff in grades 5-8 for its 2021 - 22 volume. Meetings will be held on Mondays beginning October 4 from 3:30 - 4:00 in room 207. If you would like to help bring the news to RSPS, please complete a Panther Press Club Contract form and come to the first meeting on October 4. See Ms. James bjames@resstpaul.org with any questions.
